**RECREATING FADED SMILES**

I wonder why they hide the smile  
 The smile that is really bright  
 I sat beside & asked a little polite  
 You lost your smile or the white ?

At once I saw the anger  
 But at other time I saw his eyes  
 Full of hope & a little tear  
 He reached to me  
 Correct my smile he plead in fear

I could feel the real pain in his eyes  
 Saw the black & white & Assured to return his smile  
 A young boy with a hard smile

He was my patient & I his savior  
 Couldn't let him sink in failure

With all the skills & silver over  
 Turning them over & over  
 For another year I kept his fear turn slower  
 Moving with the slow steady grower

The smile less anxious  
 The smile with no fear  
 His eyes glossy  
 With no tears  
 Returning back in a year

So I wear a sparkly grin  
 & Thus could heal many within.

*Muskaan*

Nikka khushino jo mai heere sabse bestomaa,  
 Mita kisi keee mai na dekke maini kehinoor hazaar,  
 Gham bethi jabh thak kar mai hokar hush,  
 Dekhi muskurata sa chehra jana yehoo to hai an gehna jiske maine  
 Kahi talash

Roshan kar deti hai jaisi andheji raato ko chand ki chandni,  
 Kisi shingaar mai wo baat kabon jaise pal mai khati hai  
 Muskurahat chehe ki rangni.

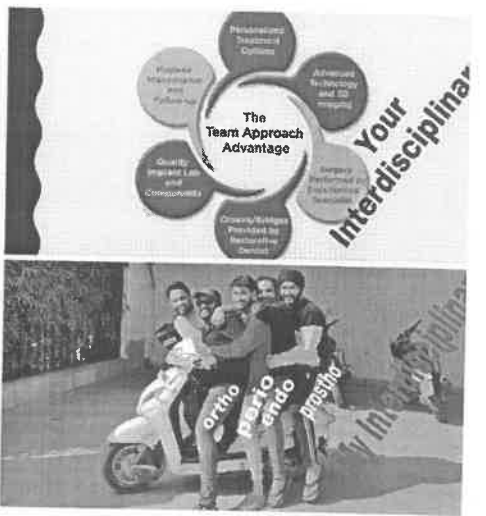

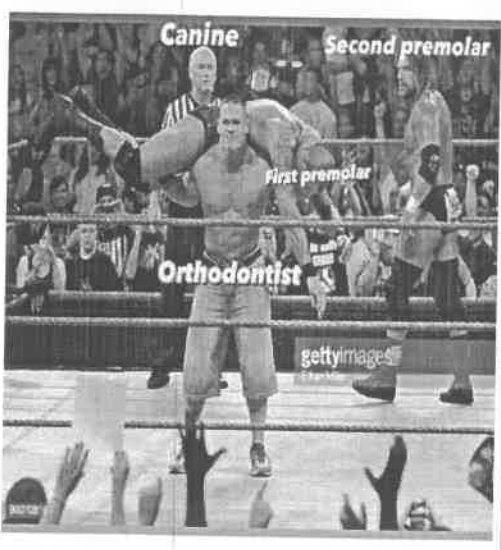

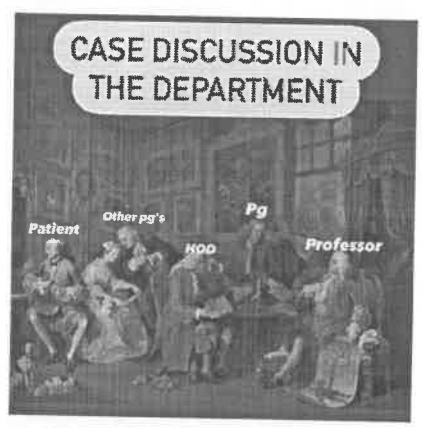

Ek anisaa (Eandon behav) se hai ye muskan tumari,  
 Saare dard dardoo-dardoo deti hai,  
 Saada kar kar aankho se ye ashk chupa leti hai

Sankaman ka liye vishv yehon badnam hai,  
 Sankaman ka aisi khatib to abhi muskurahat ke nam hai.  
 Vesaane se mohal to ye yoon haseen banata hai,  
 Ek ka dekh muskurahat deha zeh na pata hai,  
 Sava mohal dekhte dekhte shoshan ho jata hai,  
 Jaise kisi bhangor banjar se zameer par ek phool khati jata hai,  
 Jiske khushoo se poor ankuman mehak jata hai

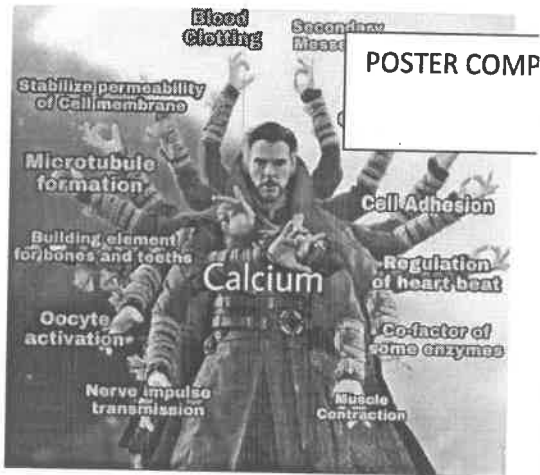

To saam se apni muskurahat ke gehme ko na tum chhupaya  
 Karo x2  
 Hain sabo ki iss tijari ko tum khatke muskuranya Karo x2
