

EXAMINATION PATTERN

Evaluation is a continuous process, which is based upon criteria developed with certain objectives to assess the performance of the learner.

Evaluation is achieved by two processes

1. Formative or internal assessment: Formative evaluation is done through a series of tests and examinations conducted periodically by the institution.

2. Summative or university examinations: Summative evaluation is done by the university through examination conducted at the end of the specified course.

METHODS OF EVALUATION:

Evaluation may be achieved by the following tested methods:

1. Written test
2. Practicals
3. Clinical examination
4. Viva voce

INTERNAL ASSESSMENT EXAMINATION

The continuing assessment examinations are held 3 times in a year and the average marks of these examinations are considered. 10% of the total marks in each subject for both theory, practical and clinical examination separately are set aside for the internal assessment examinations.

SCHEME OF EXAMINATION:

WRITTEN EXAMINATION:

1. The written examination in each subject consists of one paper of three hours duration with maximum marks of 70.
2. In the subjects of Physiology & Biochemistry and Pathology & Microbiology each paper will be divided into two parts, A and B of equal marks.

PRACTICAL AND CLINICAL EXAMINATION:

1. Objective Structured Clinical Evaluation:

This includes clinical procedures, laboratory experiments, spotters etc. The method of objective structured clinical examinations is followed to avoid examiner bias because both the examiner and the examinee are given specific instructions on what is to be observed at each station.

2. Viva Voce:

Viva voce is permits assessment of the problem solving capacity of the student. Twenty marks are exclusively allotted for viva voce.

MARKS DISTRIBUTION IN EACH SUBJECT:

- Each subject has a maximum of 200 marks.

Theory 100 = University written exam 70 + Internal assessment 10+ Viva Voce 20

Practical/ Clinical 100 = University Exam 90 + Internal assessment 10

- Pre-clinical Prosthodontics and Pre-clinical Conservative Dentistry are practical subjects in second year. Exam includes only practical and viva voce in university examination

Internal Assessment - 20

Practical - 60

Viva Voce - 20

100
