## **PROCESS OF EXAMINATION:**

### ***INTERNAL EXAMINATION:***

College displays notification of theory and practical time table on notice board 15 days prior to exams. This time table is in accordance to the academic calendar provided to the student at the start of session.

Question papers are set by the head of departments from the question bank keeping in mind the curriculum provided by Dental Council of India. After setting the question paper, it is sent to the exam cell one day before the examination under proper security.

Exam cell will hand over the question paper to centre superintendent on the day of examination. Invigilators issues question papers to the candidate at the appointed time. Unused question papers are returned to the exam cell. The candidate writes the examination on the answer sheets provided by the exam cell.

After completion of exam, written papers are sent back to exam cell for evaluation. It is the responsibility of the subject teacher to report to exam cell for evaluation of answer papers. After evaluation of question papers, students can view and apply for re-evaluation (Grievance redressal mechanism) of answer sheets on the notified dates, which is done in the presence of student, subject in-charge and exam cell coordinator. Departments conduct practical exams on scheduled dates. Marks of practical are sent to exam cell.

For declaring the results within one month, the system captures marks of practical and theory and which are then displayed on the notice board.

## **PROCESS OF EXAMINATION:**

### ***INTERNAL EXAMINATION:***

College displays notification of theory and practical time table on notice board 15 days prior to exams. This time table is in accordance to the academic calendar provided to the student at the start of session.

Question papers are set by the head of departments from the question bank keeping in mind the curriculum provided by Dental Council of India. After setting the question paper, it is sent to the exam cell one day before the examination under proper security.

Exam cell will hand over the question paper to centre superintendent on the day of examination. Invigilators issues question papers to the candidate at the appointed time. Unused question papers are returned to the exam cell. The candidate writes the examination on the answer sheets provided by the exam cell.

After completion of exam, written papers are sent back to exam cell for evaluation. It is the responsibility of the subject teacher to report to exam cell for evaluation of answer papers. After evaluation of question papers, students can view and apply for re-evaluation (Grievance redressal mechanism) of answer sheets on the notified dates, which is done in the presence of student, subject in-charge and exam cell coordinator. Departments conduct practical exams on scheduled dates. Marks of practical are sent to exam cell.

For declaring the results within one month, the system captures marks of practical and theory and which are then displayed on the notice board.

### ***UNIVERSITY EXAMINATION:***

The university intimates the college regarding the examination forms and commencement of examination around one month prior to it. Online university examination forms are filled by the students. The hard copy of the filled form is submitted by the students at college office and which is forwarded to the university. University send the admit cards to the college that are then distributed to the students. Exams are conducted as per the schedule, at allotted centre by university. University declares the result within three months.
