Carrier guidance and counselling

Event Report

1. Name & Level of events-

Carrier guidance and counselling for outgoing BDS(Interns)

2. Introduction

Career guidance and Counseling is a comprehensive, developmental program designed to assist individuals in making and implementing informed educational and occupational choices. It develops an individual's competencies in self-knowledge, educational and occupational exploration, and career planning. It is the process of assisting learners with their career development by helping them plan, organize, and decide on their life and career goals. It helps students decide how to study and what to study. Career Counseling advises students not to confuse about their decision. They make students mature in deciding things. It brings out one's interest to pursue their career and guides the student in their way.
