In the IQAC meeting held on 5th November 2018 at 12 noon at D block, feedback forms were analyzed by the IQAC members and following actions were taken to improvise the scoring.

Q.1 The current content of syllabus is fulfilling the need of Dental Industry, sufficient to bridge the gap between dental standards with global scenario.

Actions taken:

1. Teacher student ratio increased
2. Use of ICT tools
3. Integrating work practice with students
4. Chair side clinical discussions introduced
5. Conducting CDEs

Q.2 Current syllabus adequately covers contemporary topics in dentistry.

Actions taken

1. Teaching includes clinical decision making with examples
2. Contemporary topics related to each department added in the curriculum

Q.3 The specified teaching hours stated in syllabus is sufficient to complete the coverage of syllabus as per each course by the teachers.

Actions taken:

1. Hours added for important topics
2. Extra classes

Q.4 The specified clinical hours stated in syllabus is sufficient to complete the coverage of syllabus as per each course by the instructor.

Actions taken:

1. Teacher student ratio increased in clinical hours
2. Practical classes increased
3. Concentration given to important clinical topics in the curriculum.

Q.5 Sufficient reference material and books are available for the topics mentioned in the syllabus.

Actions taken:

1. Purchase order for journals
2. Students motivated by teachers to get the books issued
3. System made easier for issue of books from library

Q.6 The evaluation methods mentioned in the syllabus are sufficient for providing proper assessment.

Actions taken:

1. Standard formula made for calculating assessment
2. MCQs based tests

Q.7 The current syllabus meet the expectation in terms of learning skills , values, knowledge, diagnostic and treatment abilities.

Actions taken:

1. Advanced treatment modalities explained to the students
2. Recent diagnostic aids ' demonstrations added in the curriculum
3. Projects/assignments given to the students

Q.8 The current syllabus is covering inculcation of the aspects of life skills, transferable skills, cross cutting issues, gender equality, human values and professional ethics.

Actions taken:

1. Cross cutting topics incorporated in the curriculum
2. Lecture on ethics given to the newly joined students in 1st year
3. Gender equality lectures incorporated

Q.9 The current syllabus covers the aspects such as social responsibilities, human rights and national integration.

Actions taken:

1. Celebration of National and Religious festivals
2. Blood donation camps

Q.10 The current syllabus tries to build the opportunities in terms of employability and entrepreneurial attitude among students.

Actions taken:

1. Counselling sessions with interns
2. Practice management lectures for interns
3. Value added courses for interns to be started

In the IQAC meeting held on 11th November 2019 at 9 a.m. at D block, feedback forms were analysed by the IQAC members and following actions were taken to improvise the scoring.

Q.1 The current content of syllabus is fulfilling the need of Dental Industry, sufficient to bridge the gap between dental standards with global scenario.

Actions taken:

1. Use of ICT tools
2. Integrating work practice with students
3. Chair side clinical discussions increased
4. Conducting CDEs
5. Extra classes
6. Conceptual change student focused approach

Q.2 Current syllabus adequately covers contemporary topics in dentistry.

Actions taken

1. Teaching includes clinical decision making with examples
2. Contemporary topics related to each department added in the curriculum

Q.3 The specified teaching hours stated in syllabus is sufficient to complete the coverage of syllabus as per each course by the teachers.

Actions taken:

1. Hours added for important topics
2. Extra classes

Q.4 The specified clinical hours stated in syllabus is sufficient to complete the coverage of syllabus as per each course by the instructor.

Actions taken:

1. Teacher student ratio increased in clinical hours
2. Practical classes increased
3. Concentration given to important clinical topics in the curriculum.

Q.5 Sufficient reference material and books are available for the topics mentioned in the syllabus.

Actions taken:

1. Purchase order for journals
2. Online learning management software
3. System made easier for issue of books from library

Q.6 The evaluation methods mentioned in the syllabus are sufficient for providing proper assessment.

Actions taken:

1. New formula made for calculating assessment
2. MCQs based tests

Q.7 The current syllabus meet the expectation in terms of learning skills , values, knowledge, diagnostic and treatment abilities.

Actions taken:

1. Advanced treatment modalities in use for learning by the students
2. Recent diagnostic aids ' demonstrations added in the curriculum
3. Seminars for presentations given to the students

Q.8 The current syllabus is covering inculcation of the aspects of life skills, transferable skills, cross cutting issues, gender equality, human values and professional ethics.

Actions taken:

1. Various days like Girl child day and women day celebrated
2. Lecture on ethics given to the newly joined students in 1st year
3. BLS programmes

Q.9 The current syllabus covers the aspects such as social responsibilities, human rights and national integration.

Actions taken:

1. Celebration of National campaigns like Swachh Bharat
2. Blood donation camps
3. Rotaract club activities

Q.10 The current syllabus tries to build the opportunities in terms of employability and entrepreneurial attitude among students.

Actions taken:

1. Counselling sessions with interns
2. Practice management lectures for interns
3. Marketing strategies explained to the interns
