

WORLD MENTAL HEALTH DAY Centre- Surendera Dental College & Research Institute, Sri Ganganagar

Dental education and training can directly contribute to the development of psychological distress in students which can lead to catastrophic consequences such as impaired academic performance, impaired competency and treatment errors. Along with that COVID-19 pandemic also has taken toll on the students therefore the need of hour is to address the mental health issues of the students.

On the occasion of World Mental Health Day, Department of Public Health Dentistry, Surendera Dental College and Research Institute, Sri Ganganagar, Rajasthan organized a Live Webinar Session in the college for the dental students at 11th October 2021 on topic "Mind Your Wellbeing" by Mrs. Ankita Arora an eminent speaker in the field of psychology. The total number of 121 under & post graduate students attended this webinar.

Coordinators – Dr. Manu Batra (Reader), Dr. Deeksha Gijwani (Senior Lecturer) and Dr. Hansika Popli (IIIrd Year post graduate student)
