Event Report

1. Name & Level of events-

Carrier guidance and counselling for outgoing BDS(Interns)

2. Introduction

Career guidance and Counseling is a comprehensive, developmental program designed to assist individuals in making and implementing informed educational and occupational choices. It develops an individual's competencies in self-knowledge, educational and occupational exploration, and career planning. It is the process of assisting learners with their career development by helping them plan, organize, and decide on their life and career goals. It helps students decide how to study and what to study. Career Counseling advises students not to confuse about their decision. They make students mature in deciding things. It brings out one's interest to pursue their career and guides the student in their way.

Carrier guidance and counselling

Event Report

1. Name & Level of events-

Carrier guidance and counselling for outgoing BDS(Internees)

2.

Introduction

Carrier guidance and counselling is a complete developmental programme that helps people choose and implement smart educational and career decisions. It improves a person's self-awareness, educational and professional exploration, and career planning skills. It is a method of guiding students in their career development by assisting them in planning, organising, and deciding on their life and career goals. It aids pupils in deciding how and what to study. Students should seek career counselling if they are unsure about their decision. They help kids become more mature in their decision-making. It piques one's interest in pursuing a vocation and directs the learner in the right direction.
