Subject: having problem with roommate.

Respected ma'am,

I Rachna Sukaria, wants to strare my problem that I became victim of physical violence by my roommate kavita. She was essentially disturbing me by saying, that are lower set and have no standard, keeps abusing me. Yesterday she scratched my hand with nails. If she usually keeps disturbing me while I study. Due to these reasons I was finally forced to change my room. The main problem started with cooler, that they pushed my bed to one side when I get no air. so I was silent but this was getting above my head so all this happened.

Please ponder on my points.

Thank you,

Yours obediently,

 Respected Sir,

I am Ratnesh Student of BPS 2nd yr of ana topic  
 to inform you that I had a mistake unknow-  
 -ingly. My classmate Sanchari, she was  
 my good friend & we had talk to each other  
 generally on daily basis & sometimes we  
 went outdoor also for hangout last 2-3  
 days back we had an chat on watsp in  
 a comedy sequence, in that chat we had  
 a double meaning chat or something which  
 was not good but as she was my friend  
 that's why I was too frank to her because  
 she was also comfortable with me in that  
 conversation, she ~~was~~ was talking to me in really  
 funny manner by sending funny emojis so I  
 don't take it as much serious & I don't know  
 even that she was took that chat serious  
 in morning when I knew that she felt bad  
 I immediately apologise to her because I don't  
 say that thing in real manner or in serious  
 I request to you please forgive me for that  
 mistake which was done by me unknowingly.  
 But I have a question in my mind if she take  
 that seriously that why she was ~~canceling~~  
 that time?

(Sub: claim objection against my roommate, Geetanv Kumar for stealing money from my wallet)

Respected Sir, I Chandan Rana, student of hostel, Room no 314 wanted to claim an objection against Geetanv Kumar, Roll no 81 for stealing my all money (amount 1190/-) from my wallet when I was sleeping in 3rd Roommate is at home so we were two in the room in previous night. I left my wallet beside the pillow and go to sleep after taking Medicine for my headache.

The Gate of our room was locked from inside whole night. In the morning about 8-9 am one of our seniors knock and Geetanv open the door and Sir said broke my lock and give me the wallet which is empty. Party did not clean the room today. My wallet was beside my pillow as usual. The room was locked whole night ~~and~~ our seniors did the same 'viva' to my wallet at the door for whole night and morning. Suddenly room-mates called the same amount and when I checked my ~~is~~ there in a separate bundle and combination of notes solve this. I have not a penny in my wallet.

Topic/Subject :- To launch complaint against violence committed with us.

Respected Sir,

This is to inform you that we Seibor Dhar (from Meghalaya), Rakesh Kumar (from Bihar), Vinod I (from Kerala) want to speak up regarding a very sensitive matter. Yesterday we were attacked by a certain group of other students and they physically assaulted us mercilessly. We, the students of II<sup>nd</sup> Year BDS of this college were assaulted with hands, kicks, helmet, also they destroyed some of our belongings like spectacles. They came in a group and attacked us when we were eating <sup>lunch</sup>, which is a vulnerable state of course. Namely, Paras Singla, Aksansh, Dinesh Meena, Gyan Prakash (specifically) came to our room, held us and then beat us up. Of course, we retaliated but couldn't protect ourselves.

Sir, it is my humble request to take strong action against this violence. I will be highly obliged if you look into this matter.

Yours faithfully,

Sub:- ~~Just to~~ To inform you that I got involved in a fight and got bitten & abused by batchmate.

Respected Sir,

I Mohit Kumar of B.D.S. 3rd year.

I was in class during the OP lecture at around 9.00 am today. When I had given my apron to ~~batchmate~~ Mamta mam she had asked the apron for other P.G.s. Then Mam asked the other students to give the apron than Ramesh standup to give the apron. I passed the comment as friendly as we were friends. Mam don't taken his apron it is not cleaned. Then he standup & abused me slang on my mother & threaten me to see me in hostel.

Then there involved a small fight when I came to hostel from the class. near the drinking water tap then he started fighting me & threaten me to call up boys & they all will thrash me in Market. He said this threatening line in front of the (Ramesh & Rohit Singh.)

This all started because once his future ~~batchmate~~ asked me about his life & a women ~~was~~ to whom he

where does his son's go as he was not attending  
classes. Then I spoke the truth that where  
he goes. He used to go there to meet an  
Aunt in Bathinda. Since from that day he was  
furious on me. Even that Aunt had come to  
Boy's hostel once in the afternoon.

Since from that day that Aunt used to threaten me  
that he will call up the goons & break my bones &  
has legs & hands. Sir even you can ask my batchmate  
Ramesh & Rohit Singh. Even I had that Aunt photos with me.  
I've the evidence as picture

Thanking you in advance. Sir he is trying  
to trap me by making innocent face!
