No.	Event Report
1.	Name & Level of events- Seminar- Heartfulness
2.	Background/Introduction Heartfulness is about feeling. Our entire life is led by feelings and inspirations, and that is the role of the heart. When we manage to listen to the heart and capture the inspiration that comes from within, we learn to master our life. The whole exercise of fine-tuning the heart with the mind is through meditation on the heart, and that is why it is called Heartfulness Meditation.

1.	Name & Level of events- World Health Day 8 th April 2024 Online Webinar Conducted on Topic- "My health, My right"
2.	Background/Introduction - April 7 of each year marks the celebration of World Health Day. From its inception at the First Health Assembly in 1948 and since taking effect in 1950, the celebration has aimed to create awareness of a specific health theme to highlight a priority area of concern for the World Health Organization. Over the past 50 years this has brought to light important health issues such as mental health, maternal and child care, and climate change. The celebration is marked by activities which extend beyond the day itself and serves as an opportunity to focus worldwide attention on these important aspects of global health.

Why Is Infection Control Important in Dentistry?

- Work surfaces and dental health care personnel (DHCP) can be exposed to pathogens
- Contact with blood, oral and respiratory secretions, and contaminated equipment occur
- Proper procedures can prevent transmission of antibiotic-resistant bacteria and DRUG

1.	Name & Level of events- World No Tobacco Day 31 st May 2024
2.	Background/Introduction – World No Tobacco Day, observed annually on May 31st, serves as a global initiative to raise awareness about the health risks associated with tobacco use and advocate for effective policies to reduce tobacco consumption. Established by the World Health Organization (WHO) in 1987, the day aims to highlight the widespread prevalence of tobacco use and its devastating effects on public health, including diseases such as cancer, heart disease, and respiratory illnesses. It also encourages governments, non-governmental organizations, and individuals to take action against the tobacco epidemic through educational campaigns, legislative measures, and support for cessation programs, ultimately striving towards a tobacco-free world.

Tobacco Pledge Today!

I understand using Tobacco products is harmful to my health and in commitment, I promise to:
I will not use cigarettes, cigars, smokeless tobacco or any other tobacco products.
I will encourage friends and family to join me in living a tobacco free life and support those who are trying to quit tobacco.
I will educate others about the dangers of tobacco use and advocate for tobacco free environments.
I will seek resources and support to help me quit.
I am currently using tobacco, I will seek resources and support to help me quit.
By signing this pledge, I am taking a stand for my health and the health of my community. Together, we can build a healthier, tobacco-free future for all.

The drive was conducted in collaboration with Rotaract club and saw enthusiastic participation from students and faculty. Saplings were also distributed in the adjoining areas highlighting the importance of trees and the need for afforestation. Students staged a thought-provoking skit in a local park, drawing the attention of park visitors and passers-by. The skit portrayed environmental challenges such as deforestation, pollution, and climate change, while also emphasizing the importance of collective action and individual responsibility in addressing these issues. A condensed version of the skit was also presented within the institution's premises, allowing students, faculty, and staff to witness the performance. A rally was organized to raise awareness about environmental issues and advocate for sustainable practices.
