

SURENDERA DENTAL COLLEGE & RESEARCH INSTITUTE

H H GARDENS, SRI GANGANAGAR

Response 2.5.3

SDC&RI has introduced reforms in the examination process in a phased manner.

1. Examination Procedures:

A. Pre-Examination Procedures:

- Question bank system was not available, however now it is available at examination cell.
- Manual paper setting was replaced by, a digital paper setting and printing.
- Seating plan is now always displayed outside the examination hall.

B. Examination Procedure:

- Exams are conducted in a huge, well furnished examination hall in contrast to the previous practice of using lecture theatres.
- Examination hall is under the surveillance of CCTV cameras.
- Practical and theory Exams were conducted in continuous morning and evening sessions, which is now replaced with separate days for theory and practical exams.
- Checking Plagiarism: URKUND software is in place to screen PG dissertations and research papers before submission.

C. Post-Examination Procedures:

- Feedback forms from externals were not taken, which is now mandatory. This continuously improve our teaching-learning activities and evaluation mechanism.
- Only the provision for re-totalling was there. Presently students also get opportunity to re-evaluate their answer sheets.

2. Processes integrating IT:

- URKUND software is in place to screen PG dissertations and research papers before submission.
- Examiners feedback forms are statistically analysed.
- Data for results are interpreted.
- Presentations are done with latest audio-visual aids.

- ZOOM is used for online classes.
3. Continuous Internal assessment system:
- Paper setting is only done by head of departments.
 - Academic calendar is displayed at the start of session which provides all the information to the students regarding their curricular and extra-curricular activities.
 - Formative (Internal) examinations are conducted by respective departments under the supervision of the institutional heads.
 - Summative assessment marks are digitally fed by Head of departments at Principal's office.
 - Students' improvement is continuously monitored by their mentors and also intimated to their parents, at Parents-teacher meetings by the respective departments and institutional heads.
 - Marks secured in formative and summative examinations continuously analyzed for statistical correlation and feedback is presented before Board of examination.
4. Competency-based assessment:
- Weekly Class Assignments on topics covered during the week and in daily home assignments are given in class. This ensures that the student has paid attention in the classes and has also attempted all daily home assignments with the required rigor. These assignments have been found to have led to critical-thinking and self assessment in students.
5. Workplace-based assessment:
- Students are assessed on site by their supervisors while posted in OPD, clinical postings, wards, casualty, laboratories and OT.
6. Self-Assessment:
- Verbal questions administered to students at end of lectures, discussing ideal answers. Teachers discuss answer scripts of internal examinations.
 - Students are encouraged for self-analysis continually from their own logbooks which are perused by the head of the department.
7. OSCE/OSPE systems is occasionally used.

DETAILS OF EXAMINATION RELATED REFORMS DURING LAST 5 YEARS		
Pre-Examination Procedures	No question bank system available	Available
	Manual paper setting	Digital paper setting and printing
	Seating plan was not displayed	Seating plan is displayed outside the exam hall
Examination procedures	Exams were conducted in lecture theaters	Separate examination hall available
	No CCTV cameras	Installation of CCTV cameras
	Examinations (practical and theory) were conducted in continuous morning and evening sessions	Practical are conducted after the completion of theory exams
Post Examination Procedures	Feedback from external examiners were not taken	Feedback analysis from external examiners
	Re-totaling was available	Provision of re-evaluation
Continuous Internal Assessment System	Paper setting was under senior lecturer	Paper setting is only done by HOD
