

4.1.1

Response-

Infrastructure facilities:

Name of Institute	Total Built up area in sq.m
Surendera Dental College & Research Institute	17800
Surendera General Hospital	2304
Satellite clinic - Sadhuwali village	38
Satellite clinic – 8A village	58
Total	20200

Surendera Dental College & Research Institute is located on 26250sq.mtrs of land. In the campus the constituent units are SDC&RI Dental College and Surendera General Hospital. All the constituent units of the campus have state of art infrastructure & physical facilities as per norms of respective Statutory Councils.

Learning resources:

Facilities	Number	Area in sq.m
Lecture Halls	4	483.27
Demonstration rooms	1	158
Laboratories	12	1464.22
Seminar rooms	9	367.03
Library	1	572
Total	27	3044.52

All lecture halls, demonstration rooms, laboratories and seminar halls are well-furnished and ventilated with all required facilities. Facilities like LAN, LCD, OHP projectors and sound system are used regularly. These physical learning spaces are expanded with wireless connection to access online resources.

Facilities for Clinical learning:

The campus has fully equipped dental as well as general hospital. OPD services with adequate patients for clinical learning are available in all specialties. There are total 308 dental chairs along with 130 beds for bed side clinical teaching- learning. The hospitals have well equipped 03

SURENDERA DENTAL COLLEGE
& RESEARCH INSTITUTE
SRI GANGANAGAR (RAJ)

operation Theatres for minor and complex surgeries & students get opportunities to learn various types of surgeries.

Learning in Community:

The Department of Public Health Dentistry provides exposure to dental students to the Community setting by 02 satellite dental clinics at village Sadhuwali and 8A in rural area as well as organizing educational visits to different public health department & social Institutes like, Primary Health Centre, Water Treatment plants, Sewage Treatment plants etc.

Laboratories:

There are total 12 laboratories out of which 6 are student labs, 3 pre - clinical labs, 02 clinical/diagnostic lab & 01 research lab. There is 01 museum there in the campus. All the laboratories are well equipped with adequate infrastructure to address special challenges in research & advanced training of health professionals. Research lab is available in the campus.

Skill Lab- the campus have well equipped skill lab. CPR mannequins are available for BLS training which is regularly held for faculty, students, nursing & paramedical staff.
